ACADEMIC AND FINANCIAL INFORMATION

STUDENT RESPONSIBILITY

During the Summer Session, the principles and regulations governing course work and credit which are outlined in the College's Undergraduate Catalog remain in force. The College expects those who are admitted to carry out their responsibilities as students so that their work is a credit to themselves and to the College. Hence, the College reserves the right to terminate the enrollment of any student whose conduct or academic record is unsatisfactory to College officials.

All students attending Summer Session at Cortland are subject to the College policies which are in effect during the regular academic year.

CANCELLATION OF CLASSES

The College expects to offer all regular classes scheduled. However, if enrollments in classes are as low as 10 students, the College reserves the right to cancel such classes and adjust the programs of students affected.

CLASS MEETINGS

All regular session courses will meet each day - Monday through Thursday - except for the first week when day classes will meet Tuesday through Thursday and the sixth week when classes will also meet on Friday, Aug. 8, when final examinations will be held. There are some short session courses which may meet for a longer duration per day (consult the schedule for the exact time and dates for all courses).

Evening courses meet twice a week, Monday and Wednesday, from 6:00 p.m. to 9:20 p.m. or Tuesday and Thursday from 6:00 p.m. to 9:20 p.m. - for a three hour course, and 6:00 p.m. to 8:15 p.m. for a two hour course. Monday and Wednesday evening classes will begin on Monday, June 30, as will short session classes meeting during the first two or three weeks of the summer session.

A full schedule of courses is interpreted as six semester hours in the six-week Summer Session (exclusive of laboratory credit hours and physical education activities). If a student wishes to take more than the normal six-hour load, a request for a maximum of eight (8) semester hours during the six-week Summer Session must be approved by an Academic Advisor and the appropriate Division Dean.

MARKING SYSTEM

During the Summer Session the same standards and marking system will be used as employed during the regular College year and described in the general College catalog.

Final grades will be mailed directly to the students at the close of the summer session.
